MAJESTIC ADVENTURES

Income-Based Scholarship Application

Thank you for your interest in Majestic Adventures' programs. We realize that summer camp or after-school programs can be a large expense for many families and we strive to make our programs available to all children. We offer a Scholarship Program for families who qualify, as well as other discounts, credits and payment plans.

Income-Based Scholarship: We aim to offer a scholarship discount of up to 50% off one program per qualifying applicant each season (ie. One week of camp per summer or one after-school program per season).

Other Discounts: MA also offers a New Quester Discount, Refer-a-Friend Credit, Sibling Discount, Early Bird Discount, and Last-Minute Standby Discount, as well as work-trade and payment plan options. See page 2 for the Last-Minute Standby details. See the discount page on our website for more information on all of our discounts and credits. Additional resources may be available through external organizations; see the scholarships page of our website for more info about third party scholarships.

If you are hoping to qualify for our Early Bird Discount, the date we receive this application will determine eligibility.

To Apply: Please fill out this application and send it to the MA office by email (scholarships@majesticadventures.net) or snail mail, or drop it off at our office in Bellingham (1200 Dupont, 1A). Eligibility guidelines can be found on the reverse side of this application. ******Please include a copy of your household's most recent IRS Form 1040**. If you and your household partner file separately, please include both Form 1040's. Without income records we will be unable to process your request. Alternatively, you may send us an award letter from a service such as Free & Reduced Lunch program, Food Stamps, or other social services. We will contact you once your application has been processed to let you know if we are able to provide a discount and if there is still room in the desired session.*

Income-Based Scholarship Eligibility Guidelines

The following chart details eligibility for families applying for scholarships. These figures mirror income guidelines set up by the USDA Free/Reduced Lunch program which are used by WA State. Each school year these are updated, and the most recent version can be found online here. If the online version is more recently updated than this document, the numbers may differ and we will defer to the online guidelines set by the USDA / WA State. To determine eligibility status you will compare your gross annual income from your most recent IRS Form 1040 along with the number of members in your household to the information in the following chart. We encourage you to submit a scholarship application, even if your household does not meet the income guidelines listed below.

Household Size	**Household Annual Income** Up to 50% discount towards one week of camp per child
2	$37,814
3	$47,767
4	$57,720
5	$67,673
6	$77,626
7	$87,579
8	$97,532
For each additional member of the household add:	$9,953

Scholarship Levels: Our intention is to provide a scholarship of up to 50% off to all eligible applicants. If unable to provide scholarships due to limited funds, Majestic Adventures will provide a minimum discount of 25% to all eligible families. You are welcome to include a letter explaining any special circumstances or considerations that you would like us to be aware of.

Need assistance but don't qualify? Check out our Last Minute Standby Discount: The Last Minute Program is designed for families who are looking for tuition assistance who may not qualify for our income based discounts. Often, throughout the summer, we have spots that are unfilled in our camp sessions. We strive to fill those openings with campers whose families may not be able to afford our full tuition. This program gives a 40% discount off of the usual session fee and is available to all day camp programs at all locations (it may or may not be available for after-school, depending on the program). The Last-Minute Discount can be requested for multiple programs. For more details, check out our discounts page on our website: questnorthwest.com/registration/discounts-and-packages/

To Join the Last Minute Program: Please email us to request to be added to the Last-Minute Standby List for certain programs / weeks. Email us at info@majesticadventures.net. If you have not yet attended one of our programs, you may need to create a profile for yourself and your child in our registration system before we can add you to the Last-Minute Standby List.
